Our expertise for a successful future

NOVOMATIC's 40-years success story began in 1980 with its foundation by the industrialist Prof. Johann F. Graf in Gumpoldskirchen. Today, NOVOMATIC is **one of the world's leading manufacturers** of gaming equipment and the **technology leader** in server-based gaming and video lottery terminals, with a clear market leadership position in, among others, Germany, Great Britain, Italy, Spain, the Netherlands, Austria and CEE/SEE.

A key characteristic of NOVOMATIC is its unique, innovative strength. In order to ensure this, NOVOMATIC gives great importance to research and development. Technology centers in 15 countries and production sites in 11 countries consolidate the Group's pioneering role in the development of **innovative technologies, unique system solutions and promising products** for the online, mobile and social gaming segments.

The NOVOMATIC Group is the European market leader in the operation of electronic casinos and was able to increase the number of operated and leased gaming terminals to around 230,000 units in the 2019 fiscal year. With an exceptionally high degree of vertical integration and approximately 4,700 registered IP trademarks, NOVOMATIC guarantees the utmost product quality.

Practiced responsibility in the core business

NOVOMATIC pursues **sustainable corporate development**. In addition to the economic aspects of the business activities, this also takes into account employee issues and environmental concerns, as well as the interests of stakeholders.

The strategic fields of action comprise: "Responsible Entertainment", "Always Compliant", "Enjoy Working with Us", "Going Green" and "Active in the Community". NOVOMATIC always adheres to the guiding principle of "Winning Responsibly", because only the assumption of responsibility ensures long-term business success. The related **vision** is to be **the most innovative and responsible provider of "responsible entertainment" in the world**.

As a leading European company, NOVOMATIC also lives up to its social commitment. For this reason, the company supports selected institutions and projects in the fields of sports, culture, social affairs and education. By doing so, NOVOMATIC **contributes to positive social development** and creates added value for the communities in which the company operates.
